Professional Inventories Ltd Unique Report Features & Services

What Our Clients Say

"We have used professional inventories for some time and they produce detailed and well set out reports with a easy to use booking service and professional attitude. Paul and his team work well for our agency."

Manager of a HNW Lettings Agents based in the Surrey Stockbroker belt, properties at £10M+

"We have used Paul and his team for over a year now. Professional Inventories are a reliable and helpful company, going well over the call of duty to provide an excellent service. I can highly recommend their services."

Director of a long established agency with 500+ managed properties in Central & South London

"We have been using Professional Inventories for just under a year and they have been fantastic. The level of detail is second to none and the speed at which reports are sent to both us and the tenants is industry leading. We look forward to working with you in 2015."

Manager of a busy South London Corporate who cover London & the Home Counties

"We have been using Professional Inventories for the past few months and have been impressed with the quality of Inventories conducted. They are always detailed and easy to follow. Professional Inventories always insist on meeting tenants which prevents any issues with hand over. I would recommend this company to any of my landlords and others who require their service."

Manager of a National Corporate based in the Brixton area

"Professional Inventories have been a breath of fresh air to deal with. I was impressed by the amount of detail included in their reports, and my clients have given feedback the same. The customer service has been exemplary and all bookings are processed efficiently and confirmed in writing - a very useful touch for large agencies with multiple bookings."
